

The Lyons Community Church Mid-Week Message

Thursday, October 27, 2016

Greetings Friends,

This coming weekend is one filled with frightfully great fun. LEAF's big Fundraiser *Rave to the Grave* is Friday Night. It is sure to be a great night of fun and frivolity and fundraising! Then on Saturday, not to leave the kids out of all the fun, is the Spooktacular Parade and Trick or Treating! Our kids are very much looking forward to the parade and festivities in Lyons. On Saturday evening I will be at the church with several other folks handing out treats and hot beverages. I hope to see many of you out and about this weekend! What a fun and vibrant community we are a part of!

This church is a vital part of this amazing community and each one of you is vital part of this church community. Each of you offer a unique perspective and a unique blessing to life of this church. From the very young to the young at heart, all are important and all have a story to tell and a place at the table.

Over the past few weeks we have been learning about various Heroes of the Bible. It has been interesting to look at the lives and stories of these ordinary people and see the amazing ways God used them, and in turn the way God can use us and our life stories. As we continue to look at Heroes of the Bible, we will also be looking at ways in which these folks were also being stewards of all that God had given them. This Sunday is the start of our Annual Stewardship Campaign. For the next four weeks we will look at the different ways that God has called us into a life of stewardship. Along with our weekly hero we will also have a stewardship focus, with it all culminating on Commitment Sunday, November 20th.

Commitment Sunday
(commitment cards received)

While Stewardship is about the money needed to continue and create new ministries in the church, it is also about so much more than that. Stewardship involves our prayers, our presence, our gifts, our service, and our witness. I invite you to prayerfully consider how you see yourself represented in each of these aspects of stewardship as we journey through the hero stories of the Bible and the hero stories of Lyons Community Church.

I look forward to gathering together on Sunday as we continue to look at the stories of some of the Unlikely Heroes of the Bible and how their stories impact our lives today!

Blessings,

Pastor Emily
